CIVILITY AND RESPECT PLEDGE

Approved at Annual Meeting of Eastwood Town Council held 13th May 2024

The Town Council APPROVED endorsement of the Pledge to support and enhance the recently adopted robust Code of Conduct (November 2022).

CIVILITY AND RESPECT PROJECT Throughout the sector, there are growing concerns about the impact bullying, harassment, and intimidation are having on local (parish and town) councils, councillors, clerks and council staff and the resulting effectiveness of local councils. The National Association of Local Councils (NALC), One Voice Wales, the Society of Local Council Clerks (SLCC) and county associations have responded to this by setting up a Civility and Respect Working Group to oversee the Civility and Respect Project.

MISSION STATEMENT Civility and respect should be at the heart of public life, and good governance is fundamental to ensuring an effective and well-functioning democracy at all levels. The intimidation, abuse, bullying and harassment of Councillors, Clerks and Council staff, in person or online, is unacceptable, whether by Councillors, Clerks, Council staff, or public members. This can prevent Councils from functioning effectively, Councillors from representing local people, discourage people from getting involved, including standing for election, and undermine public confidence and trust in local democracy. NALC, county associations and OVW, as the membership organisations representing the first tier of local government in England and Wales, and the SLCC, as the professional body for Clerks, are committed to working together to promote civility and respect in public life, good governance, positive debate and supporting the well-being of Councillors, professional officers and staff. To that end, the Civility and Respect Working Group will be working to deliver tangible resources, actions and interventions in four main areas: providing Councils with the tools to support good governance; lobbying to strengthen the standards regime and encouraging more people to get involved; training; and processes to intervene to provide support to struggling Councils.
